CONSTITUTION

The Society will be called

Baildon Horticultural Society (BHS)

Mission Statement; Baildon Horticultural Society operates to promote an active interest in gardening, and helping develop skills for those who wish to participate in the growing of flowers, vegetables and fruit.

1. **Aims**
   - To produce an Annual Horticultural Show in Autumn
   - To provide an efficient and effective management structure to administer our Allotment sites.
   - To provide encouragement, advice and guidance to Members and the Baildon residents on gardening matters.
   - To encourage and support the conservation of ‘Rare Breeds’ and gardening in an environmentally sustainable manner.
   - To increase non-plot holder membership of the Society in Baildon and the Locality
